## Music and performance

### Magnificent regions of the heart: classical and devotional music from Persia

Saturday 31 March, 8–9.30pm

---

For this program inspired by the *Love and Devotion* exhibition, traditional Persian group Mehr Ensemble has set to music the poems of 13th-century Sufi poet and sage Jalal al-Din Rumi, creating a unique musical experience within the framework of the traditional Persian Radif musical system. After the concert you can visit the exhibition until the extended closing time of 10.30pm.
