

The Mehr Ensemble

The Mehr Ensemble was first formed in Tehran, Iran in 1999 by Tar player Pooya Mehmanpazir and has continued its active operation to date.

The Ensemble is dedicated to bringing new dimensions to the ancient Radif music of Iran, performed on traditional Iranian instruments.

This intricate and energetic music lifts the heart and feeds the soul. Don't miss an opportunity to hear it performed live by some of Australia's leading performers of Iranian music.
